

Almond Orchard Grinding Demonstration Sponsored by the University of California Cooperative Extension

Tuesday, February 16, 2016 10:00 am - 12:00 noon
AgriLand Farming
20875 Avenue 24, Chowchilla, CA 93610

10:00 am **Whole almond orchard recycling and the effect on second generation tree growth, soil carbon, and fertility**

- Dr. Brent Holtz, UC Cooperative Extension, San Joaquin County
For more information contact baholtz@ucdavis.edu

10:20 am **700 B Iron Wolf 'Slasher' Demonstration**

- Watch this 100,000 pound machine push, grind, and incorporate whole almond trees
- Discuss the process with Iron Wolf representatives and AgriLand Farming managers

It is the policy of the University of California (UC) and the UC Division of Agriculture & Natural Resources not to engage in discrimination against or harassment of any person in any of its programs or activities (Complete nondiscrimination policy statement can be found at <http://ucanr.edu/sites/anrstaff/files/215244.pdf>). Inquiries regarding ANR's nondiscrimination policies may be directed to Linda Marie Manton, Affirmative Action Contact, University of California, Agriculture and Natural Resources, 2801 Second Street, Davis, CA 95618, (530) 750-1318. Our programs are open to all potential participants. If you require special accommodations, please contact UCCE San Joaquin County (2101 E. Earhart Ave., Ste. 200, Stockton, CA 95206. 209-953-6100.)

The University of California working in cooperation with San Joaquin County and the USDA
