Cover Crops For Walnut Orchards Field Demonstration Monday, April 5, 2004 9-10 a.m.

Farmington walnut growers Chiappe Farms and Terry Prichard have grown nice stands of three winter annual cover crops in their walnut blocks. We will view these and discuss potential benefits and pitfalls of cover crops for walnuts.

Location: Stanley Road, ½ mile south of Highway 4,
near Farmington

Funding for this project has been made available by the Governor's Buy California Initiative, the California Department of Food and Agriculture and the U.S. Department of Agriculture.

The University of California prohibits discrimination against or harassment of any person on the basis of race, color, national origin, religion, sex, physical or mental disability, medical condition (cancer-related or genetic characteristics), ancestry, marital status, age, sexual orientation, citizenship, or status as a covered veteran (special disabled veteran, Vietnam-era veteran or any other veteran who served on active duty during a war or in a campaign or expedition for which a campaign badge has been authorized). University Policy is intended to be consistent with the provisions of applicable State and Federal laws. Inquiries regarding the University's nondiscrimination policies may be directed to the Affirmative Action/Staff Personnel Services Director, University of California, Agriculture and Natural Resources, 1111 Franklin, 6th Floor, Oakland, CA, 94607-5200, (510) 987-0096.
